The National Barrel Horse Association is an international organization that promotes the sport of barrel racing and its growth. Our goals are to increase the number of participants, improve the quality of shows, and enhance the image of barrel racing. Our members compete on the district, state, national, and world level.

Your sponsorship will aide a very talented youth in accomplishing their goals and dreams of competing at the Youth World Championship in Perry, GA. The trip is very costly and competitive. Your donation will help to cover expenses for this great opportunity. In return the youth you sponsor will proudly display your name and product throughout the year every chance possible. They will strive to educate others about your business and bring you new customers. We greatly appreciate your support and will do everything in our power to help you in return.
